

Alphabet Letter Hop

The Alphabet Letter Hop is a fun activity to help your Preschool age child learn the alphabet and recognize upper and lower case letters.

Cut out each letter square, laminate and place on the floor. Starting with A have your child say the name of the letter as they jump on it!

For older children scramble the letters on the floor and have your child say the sound(s) as he or she jumps on the letter.

After this fun little lesson take a trip to the library together and read Chicka Chicka Boom Boom by Bill Martin.
